

BRONISLAV DOLGOPYAT

Bronislav Dolgopyat was born in Kiev, Ukraine. He left his homeland in 1990 at the age of 16 and since then has travelled and lived in North and South America, Europe and the Middle East. In 2002 he moved to Brazil, travelled the country extensively dedicating his time to the study of Brazilian underground and subcultures. He had spent five years living in favelas of Rio de Janeiro working in social projects in poor communities. During that time Bronislav worked as a photojournalist and a stringer for Reporter and Knife magazines as well as various online news publications. He currently resides with his wife Suzana in Turku, Finland.
